

# Attendance

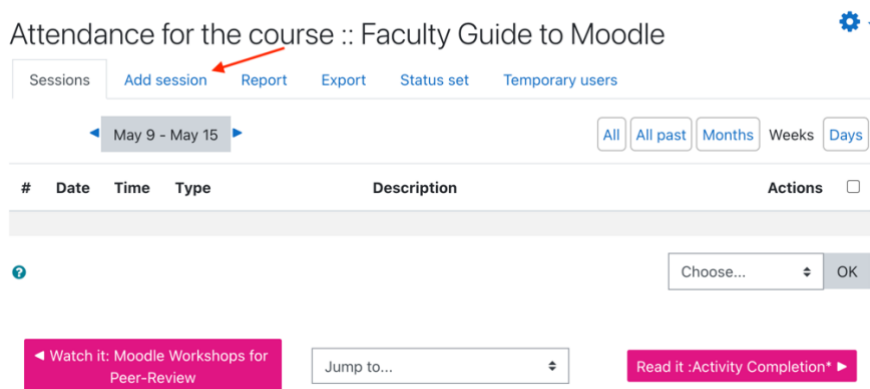

Moodle Attendance allows you to record and track student attendance.

## ADDING ATTENDANCE TO A COURSE

Go to “add an activity” and select the “Attendance” activity.

Enter the title of the attendance and adjust any settings from the drop-down menus within the attendance settings. Afterwards, select “Save and Display” to continue setting up the attendance. This will bring you to the main page of the Attendance activity. Next, select “Add Session” to create times and days to record attendance.

Here you can select the day and time for the session.
