## Animator Job Description

### Company Background

ICON is currently recruiting for a high end CGI series which is already underway at our studio. If you are a talented CG artist seeking a long-term contract at Vancouver's fastest growing CGI studio, we would like to hear from you.

### About the Position

You will be responsible for creating animated sequences of characters, objects, and cameras. You are proficient with Keyframe animation and have strong fundamentals such as posing, timing, and pacing. You are able to take direction with ease and still be creative within the parameters of the shows style.

### Requirements

• 2+ years of professional experience with Maya

• Ability to thrive in a deadline driven environment

• Self-motivated

• Enthusiastic attitude and good communication skills

• Ability to work efficiently as part of a team or independently

• An amazing demo reel showcasing character key frame animation

### How to Apply

Send a link to your online reel and resume to [lara@iconcreativestudio.com](mailto:lara@iconcreativestudio.com).
