

Matthew

chapter 1

During that time, due to national issue, lot of students have moved to other school. Bare we and marleu stayed. We were like brothers, we ate together, played together, we even cried together at de moment when we faced hard times. Christmas event, we were dressed with suits and before graduation we took de last photo, putting an arm around one's shoulder.

Chapter 2

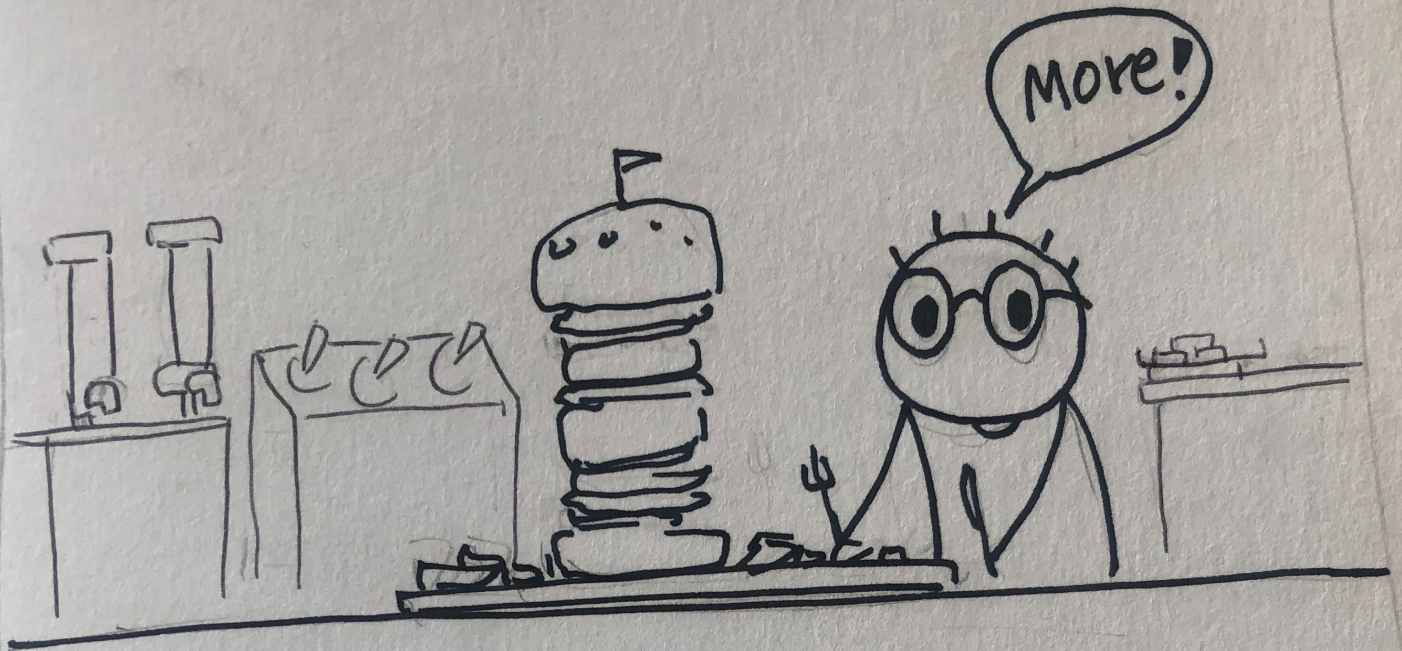

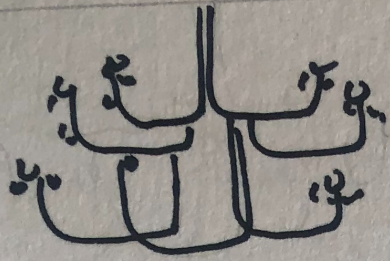

we lived quite close enough to hang out often.
I usually went to his hotel and we played
Sports together, most often played basketball.

Chapter 3

"Hamburger"

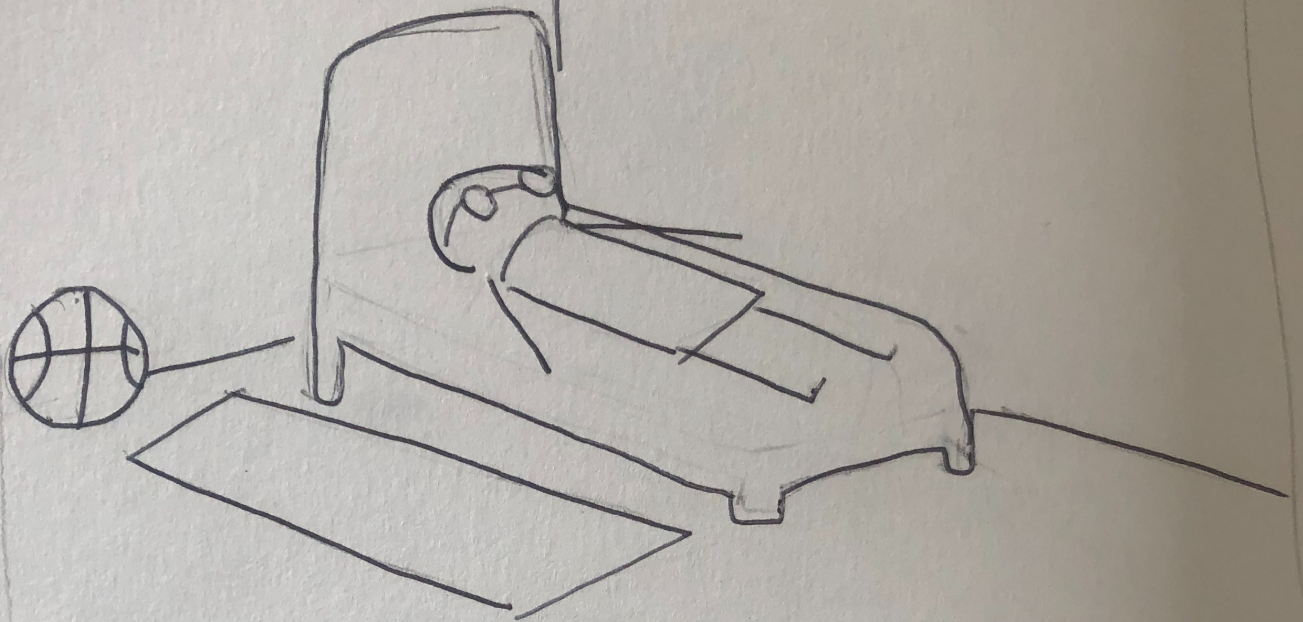

Whenever I visit the hotel we were able to order a food at hotel's dining room, and obviously I ordered hamburger set. Not just me, but both of us always ordered same meal. It was the menu that connects both of us.

Chapter 4

"He is too bossy..."

"I think he was just worried about you,"
he is the one who responsible to take care
of siblings when parents are not here."

Chapter 5:

Mordecai often stayed in his hotel room, but he was not alone. David, and Hannah was with him, still to Mordecai was a bit isolated from ~~the~~ outside world.

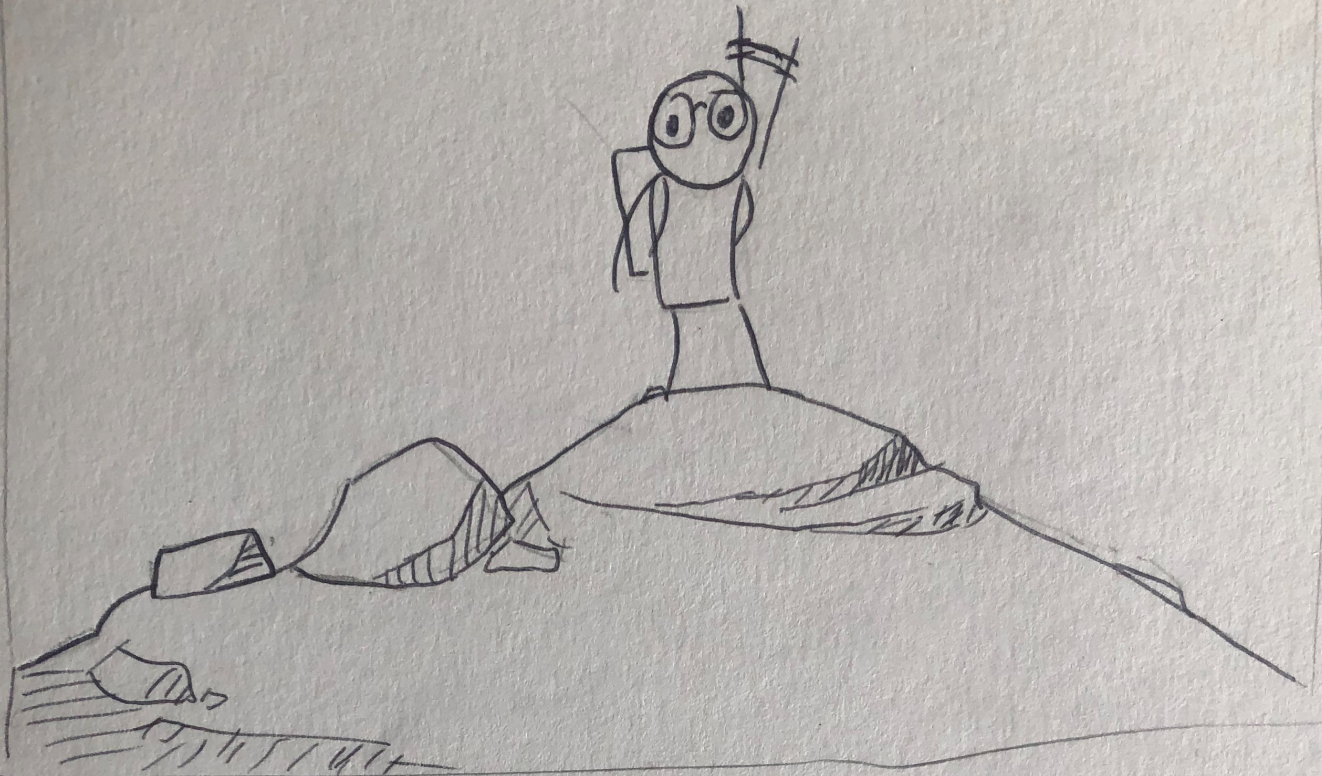

Because Stenyang was not familiar place for him to walk freely on the street, and he also didn't know how to speak Chinese.

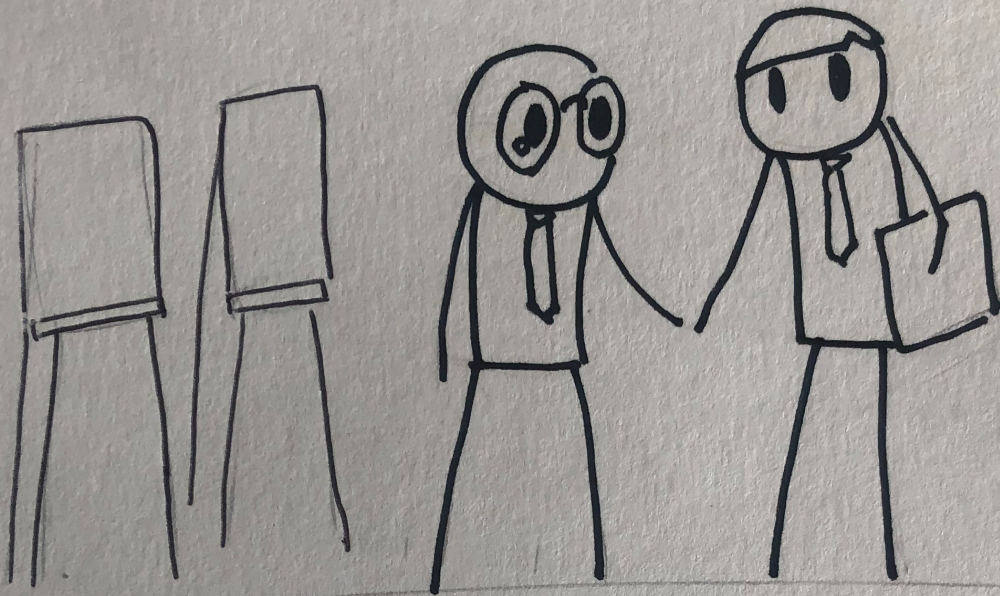

Chapter 6

Even I haven't seen him after I graduate high school, but luckily I'm still connected with him through social media (SMS).

Also, sometimes I just have a quick look on the phone I took with me and it strongly reminds me of him.

Chapter 17
I've seen him on Instagram traveling,
He was at the top of the mountain,
in my imagination he would have
built screens band with other people
during travel. Compare to old boys from
foreign country, he changed to be more
active enjoying being motivated with others.

Chapter 8

"I will miss you a lot"

"me too"

last time I saw him was at my
high school graduation ceremony,
he cried after he made a speech about me.
