

HEATHER

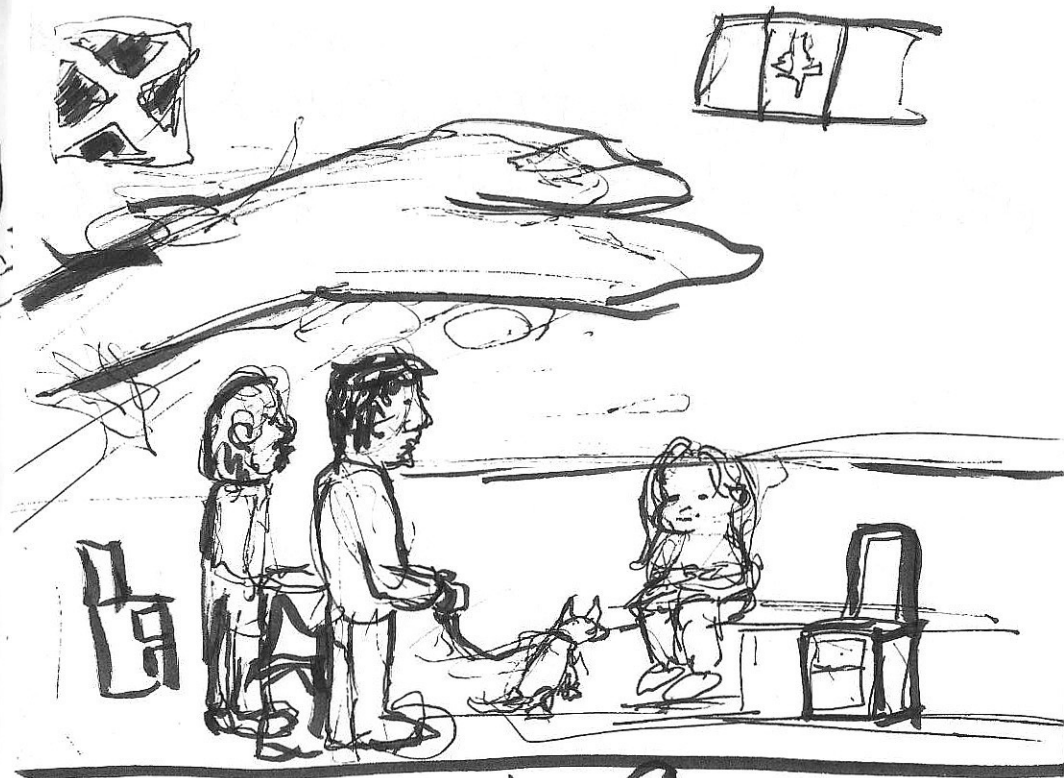

Chapter 1

My name's Heather, I've always been a very outgoing person. Because of that I've met so many people, but more importantly dogs! dogs are one of my favourite things in the world, so much so that I go to the dog park every other day, even though I don't own myself. thankfully my parents own spirit our old white air I

love to take her every once in
a while, usually when its
raining and crazy out, when my
parents would rather not walk her.
I'm so thankful to take her
for walks cause if I hadn't I
probably wouldn't have met some
of the friends I have now.

Chapter 2

I grew up in Scotland till I was
around 11, I made tons of friends
and had so many adventures,
I didn't have a dog though.
So to sweeten the deal and
make things easier once we
moved to Canada my parents
decided to get ~~a~~ a puppy
three names the puppy
Wisker. Once I started

School wiskey helped make me feel
Better after getting picked on by
other students for my accent.

Chapter 3

A lot of people associate ~~the~~
~~with~~ thought of me as being
a dog. ~~as~~ The reason people
do is not only do I love dogs
but I can get excited like
one to. Whenever I see my
friends or family members I
get excited, even when it hasn't

Been long since I've seen them.
I'm also really loyal & some
even like to call me a Bitch
Caus I'll get angry if you mess
with my friends

Chapter 4

Most of the time I'll hear about
the people calling me a Bitch at
lunch. My friends have my back, they
always defend me, especially over
petty situations like me not going
to someone's party. At work their
always so nice they bring me
free food while we all gossip
together. my favourite is when

They bring pizza and sushi
to work.

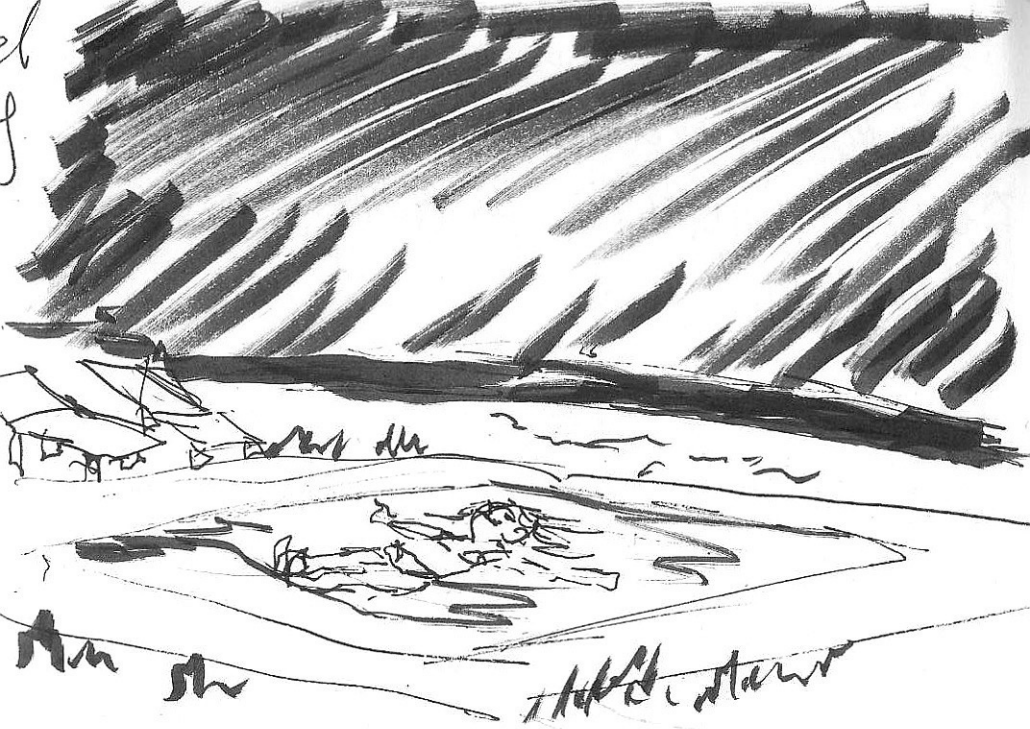

Chapter 5

Most of the time if I ever do
have a moment to myself I'll
go for a hike or do some self
care, or I work on my
car. I'm not the best mechanic
but I have fun modifying my
vehicles. When I go for hikes
I sometimes like to find a good
spot to watch the sunset

Dreamt Chapter 6

I ~~thought~~ of Heather today, of where she was and her life for some odd reason, maybe I need to go see her? Maybe I saw a photo of hers online before I went to bed or saw the jacket that she gave me after we became friends. I think I'll go back to sleep for a bit though.

Chapter 7

One of Heather's favourite things to do while on vacation is go swimming, she could lay in the pool for hours. One time she even passed out in the pool while just floating and didn't go under water. I remember finding her slightly burnt but looking so peaceful. When we woke her up all she could say was

Chapter 8

One of the last times that I saw Heather was at a friendsgiving. Heather was the main friend of the whole group, she's always been the glue that keeps her friends close. She was the center of the party talking with everyone complementing people on the food they made and what they wore.
