

Chapter 1

We are in Japanese class
during 9th grade.

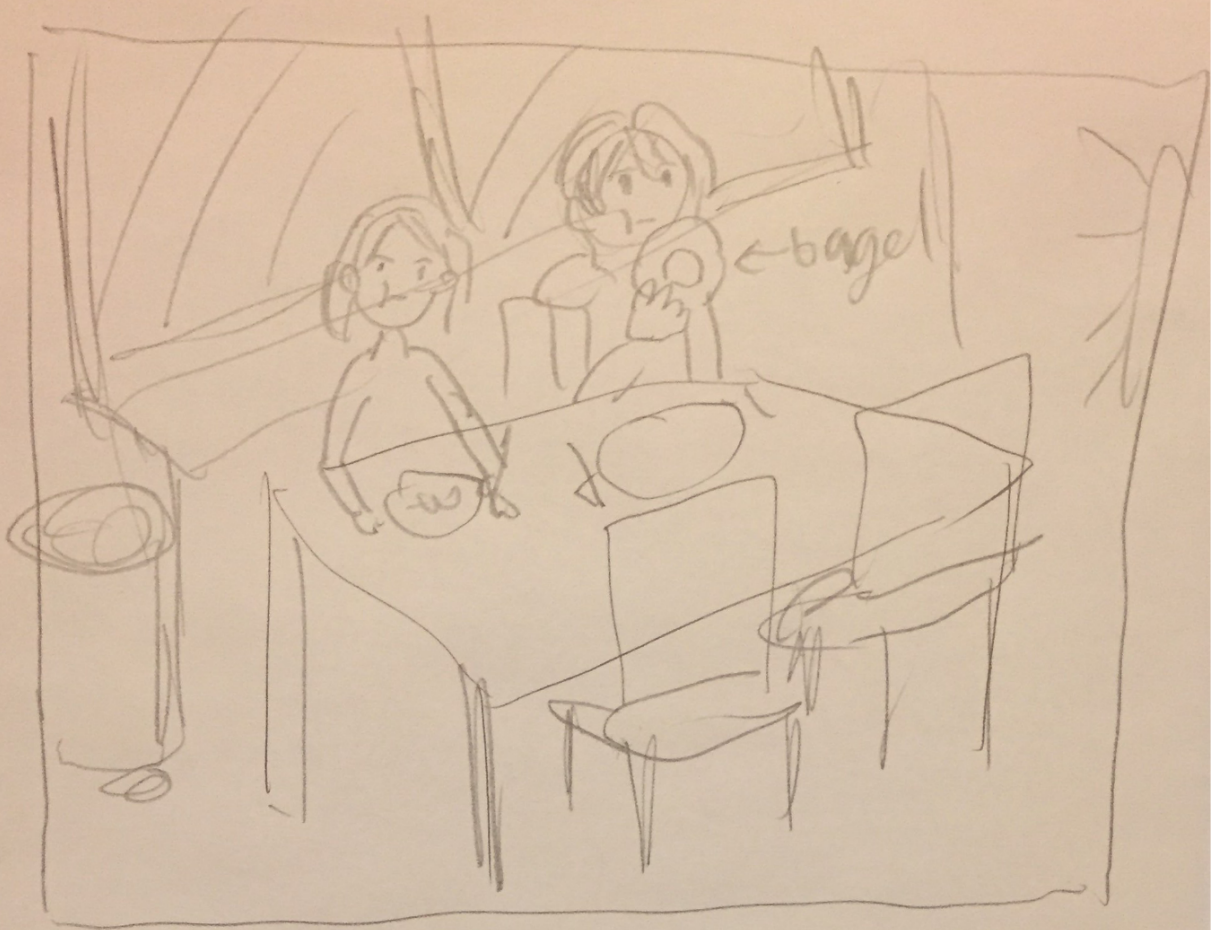

Chapter 2

When Mickey was in school in the Philippines, her classmate did a Bloody Mary Ritual. They were around 8 years old.

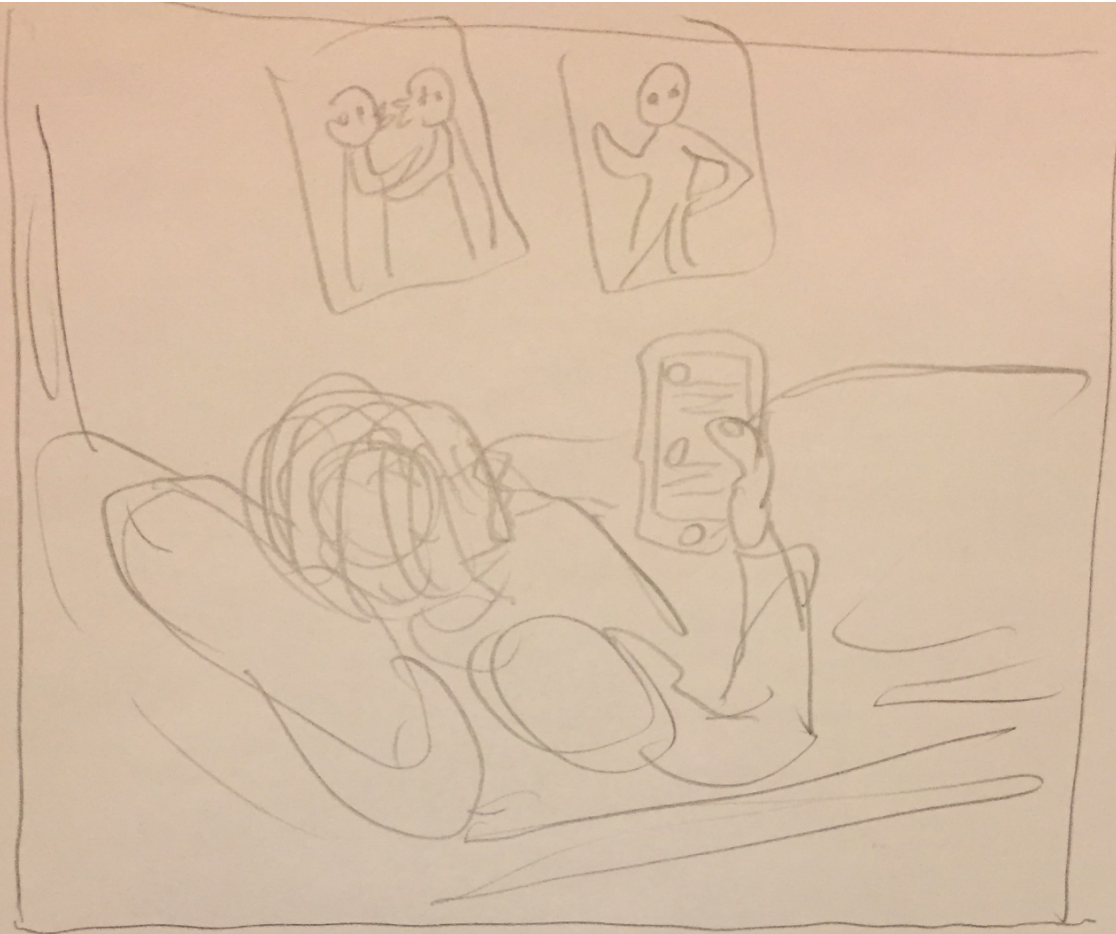

Chapter 3

Her squintle doll she had
since she was a baby. It's really
battered up, but it seems
to perhaps possess a soul.
She always carries it
when at home.

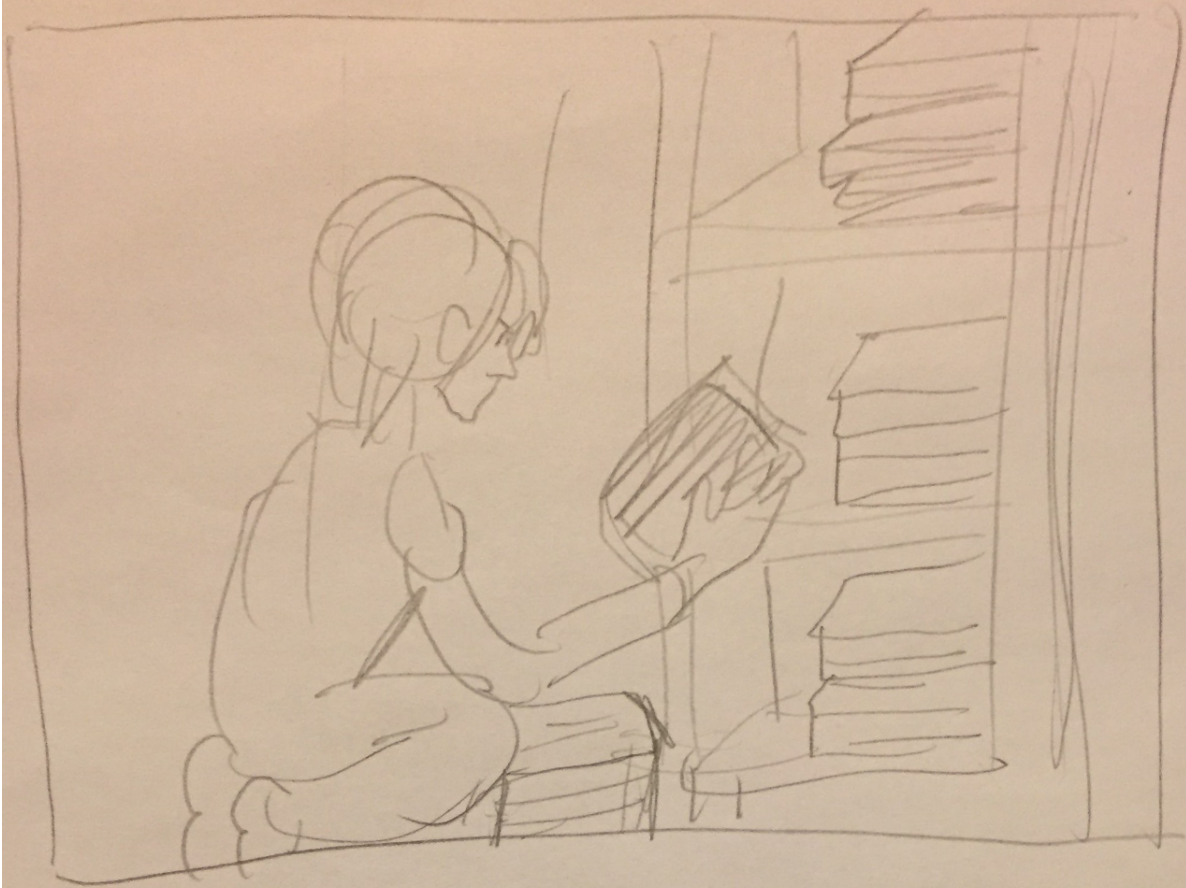

Chapter 4

Micky is a social butterfly, you'll see that they're friends with every cosplayer at a convention, or knows them somehow.

Chapter 5

They are scrolling on their phone. They are social & keep up with friends, yet are inactive towards things happening in the world.

Chapter 10

I thought of midday the
other day when going through
my bookshelf, as there are
some books here that they
bought for my birthday.

Chapter 7

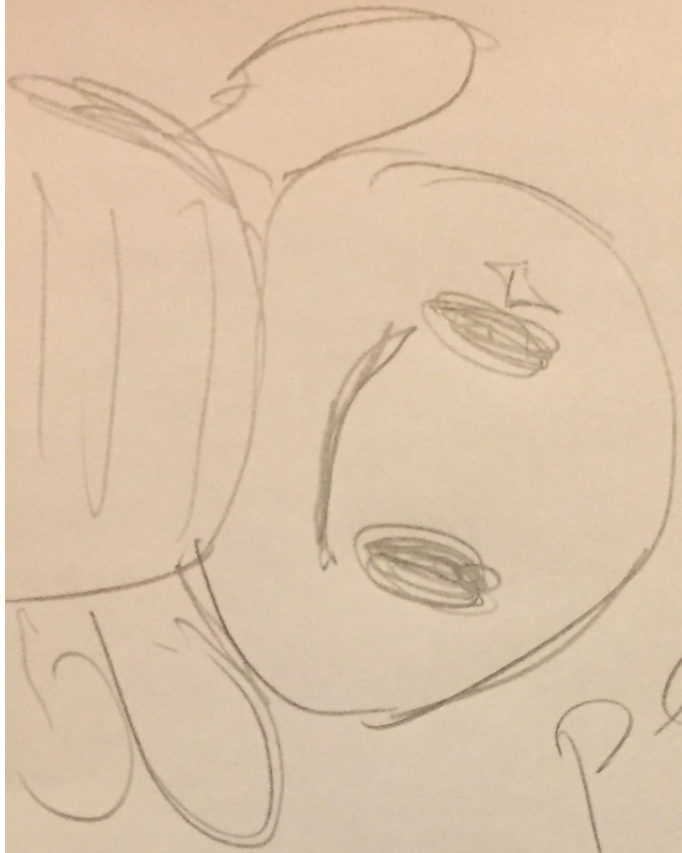

They are wearing cosplay. They are getting to a convention.

"Were only two hours late, it'll be fine."

Chapter 8

We were at a friend's place. We ordered sushi and ate it at her dining table. We also drank some liquor.

peace.
