Chapter 1

When we were younger, we used to always hang out at my house and play rockband. All of the kids of the neighbourhood would come to our place and eat, play and hang out. My cousin says he liked to play expert as singer. We would have so much fun and we also would hang out at our backyard. We would play sports, like baseball and I remember one time, a ball got stuck on our roof. We would hang out with all of our neighbours like Jera, Rosen, Bea, Nick, Harel, all those people.

Chapter 2

When Shan was in elementary, she had a crush on a boy named Kyle Martens. In elementary, we used to have "reading buddies" which is basically just younger kids paired up with older kids to read. Shan ~~to~~ and Kyle Marten's reading buddies were partnered together. She and Kyle Martens would hang out and that would be the first time he said her name. "Christianne" she was swooning!

Chapter 3.

Shan is an avid gamer. She has a discord server and channel called "Beysker Plays Games". Her favourite game is The Sims 4! She also loves playing Apex with me. The item I chose is her headset because I remember her unboxing it in the mail and I was on facetime with her. It's also purple which is her favourite colour! She loves to play games and will stay up all night if we are playing with her.

Chapter 4

"Shan is carrying!"

"Hacker!"

"She stayed up all night even though she had a test tomorrow"

"who's bunny_lov3r246?"

"Thanks for the prime sub Bey Shawn!"

Chapter 5

Shannen. LOVES to dance! Especially when she's alone. She will dance to hiphop, rnb, salsa, trap, rock, anything!

Even when she's not alone, she takes dance classes and she also loves to get turned up clubbing!

Chapter 6.

Honestly, anytime I hop on my computer, I think about Shan because she is almost always online. I also love to play with her even on games that we aren't that good at. I also thought of Shan yesterday whenever I go on my phone and see a lot of funny memes + tiktoks. She sends me a lot of funny things that brighten my day.

Chapter 7

Shan and I went to Chicago one day in the summer of 2019. We danced and explored, she was like, "Beotie, I'm having the greatest time!" Even though at one point, I got sick! We partied all day + night and went on a cool boat tour of the city. Shan also bought a hat that she lost later on...

Chapter 8

The last time we saw each other was the time we went to Chicago together. We had such a fun time even when we were just chilling in our airbnb. We danced a lot and now we just hang out online because she lives in Ottawa + I live in Vancouver. I want to go see and travel with my bestie again. When we were in Chicago, we ate delicious food, explored, and just enjoyed each other's company. ♡
