

A L I C E .

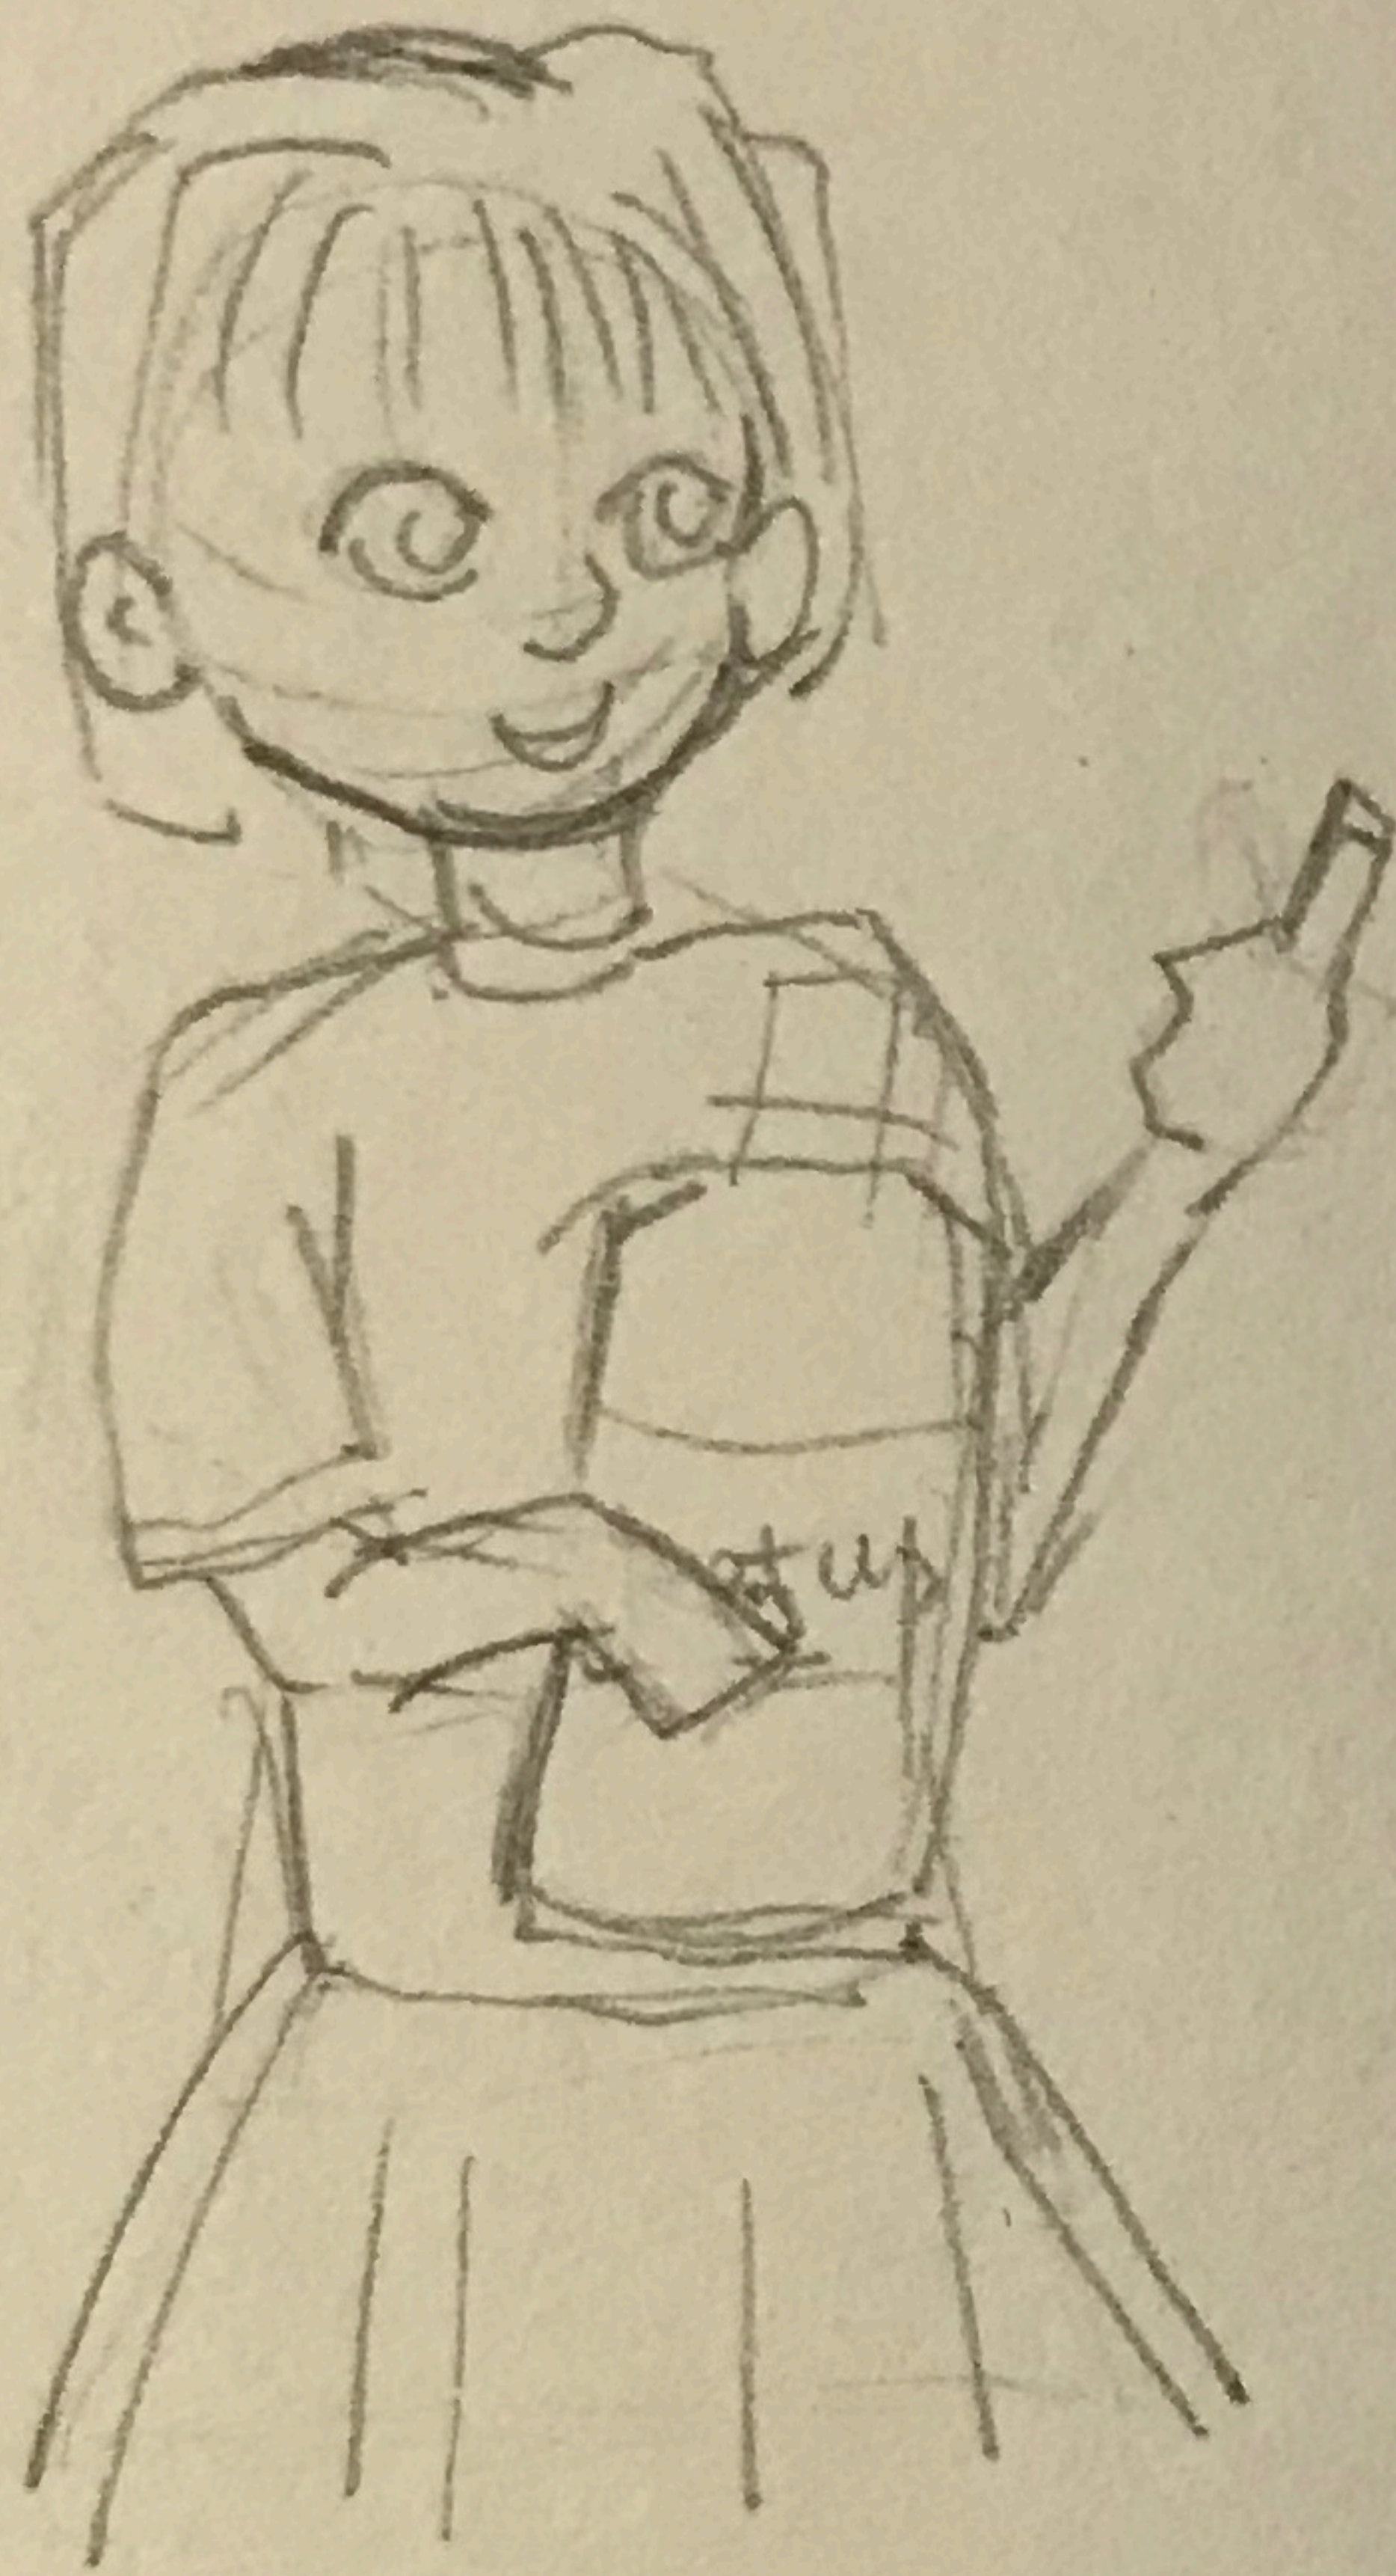

Chapter 1

When we were in primary school, we were classmates. Because we both like drawing, we often draw together. She was always better than me when we was kids.

Chapter 2.

We go to school together every day,
and then we run laps around the
playground for no reason.

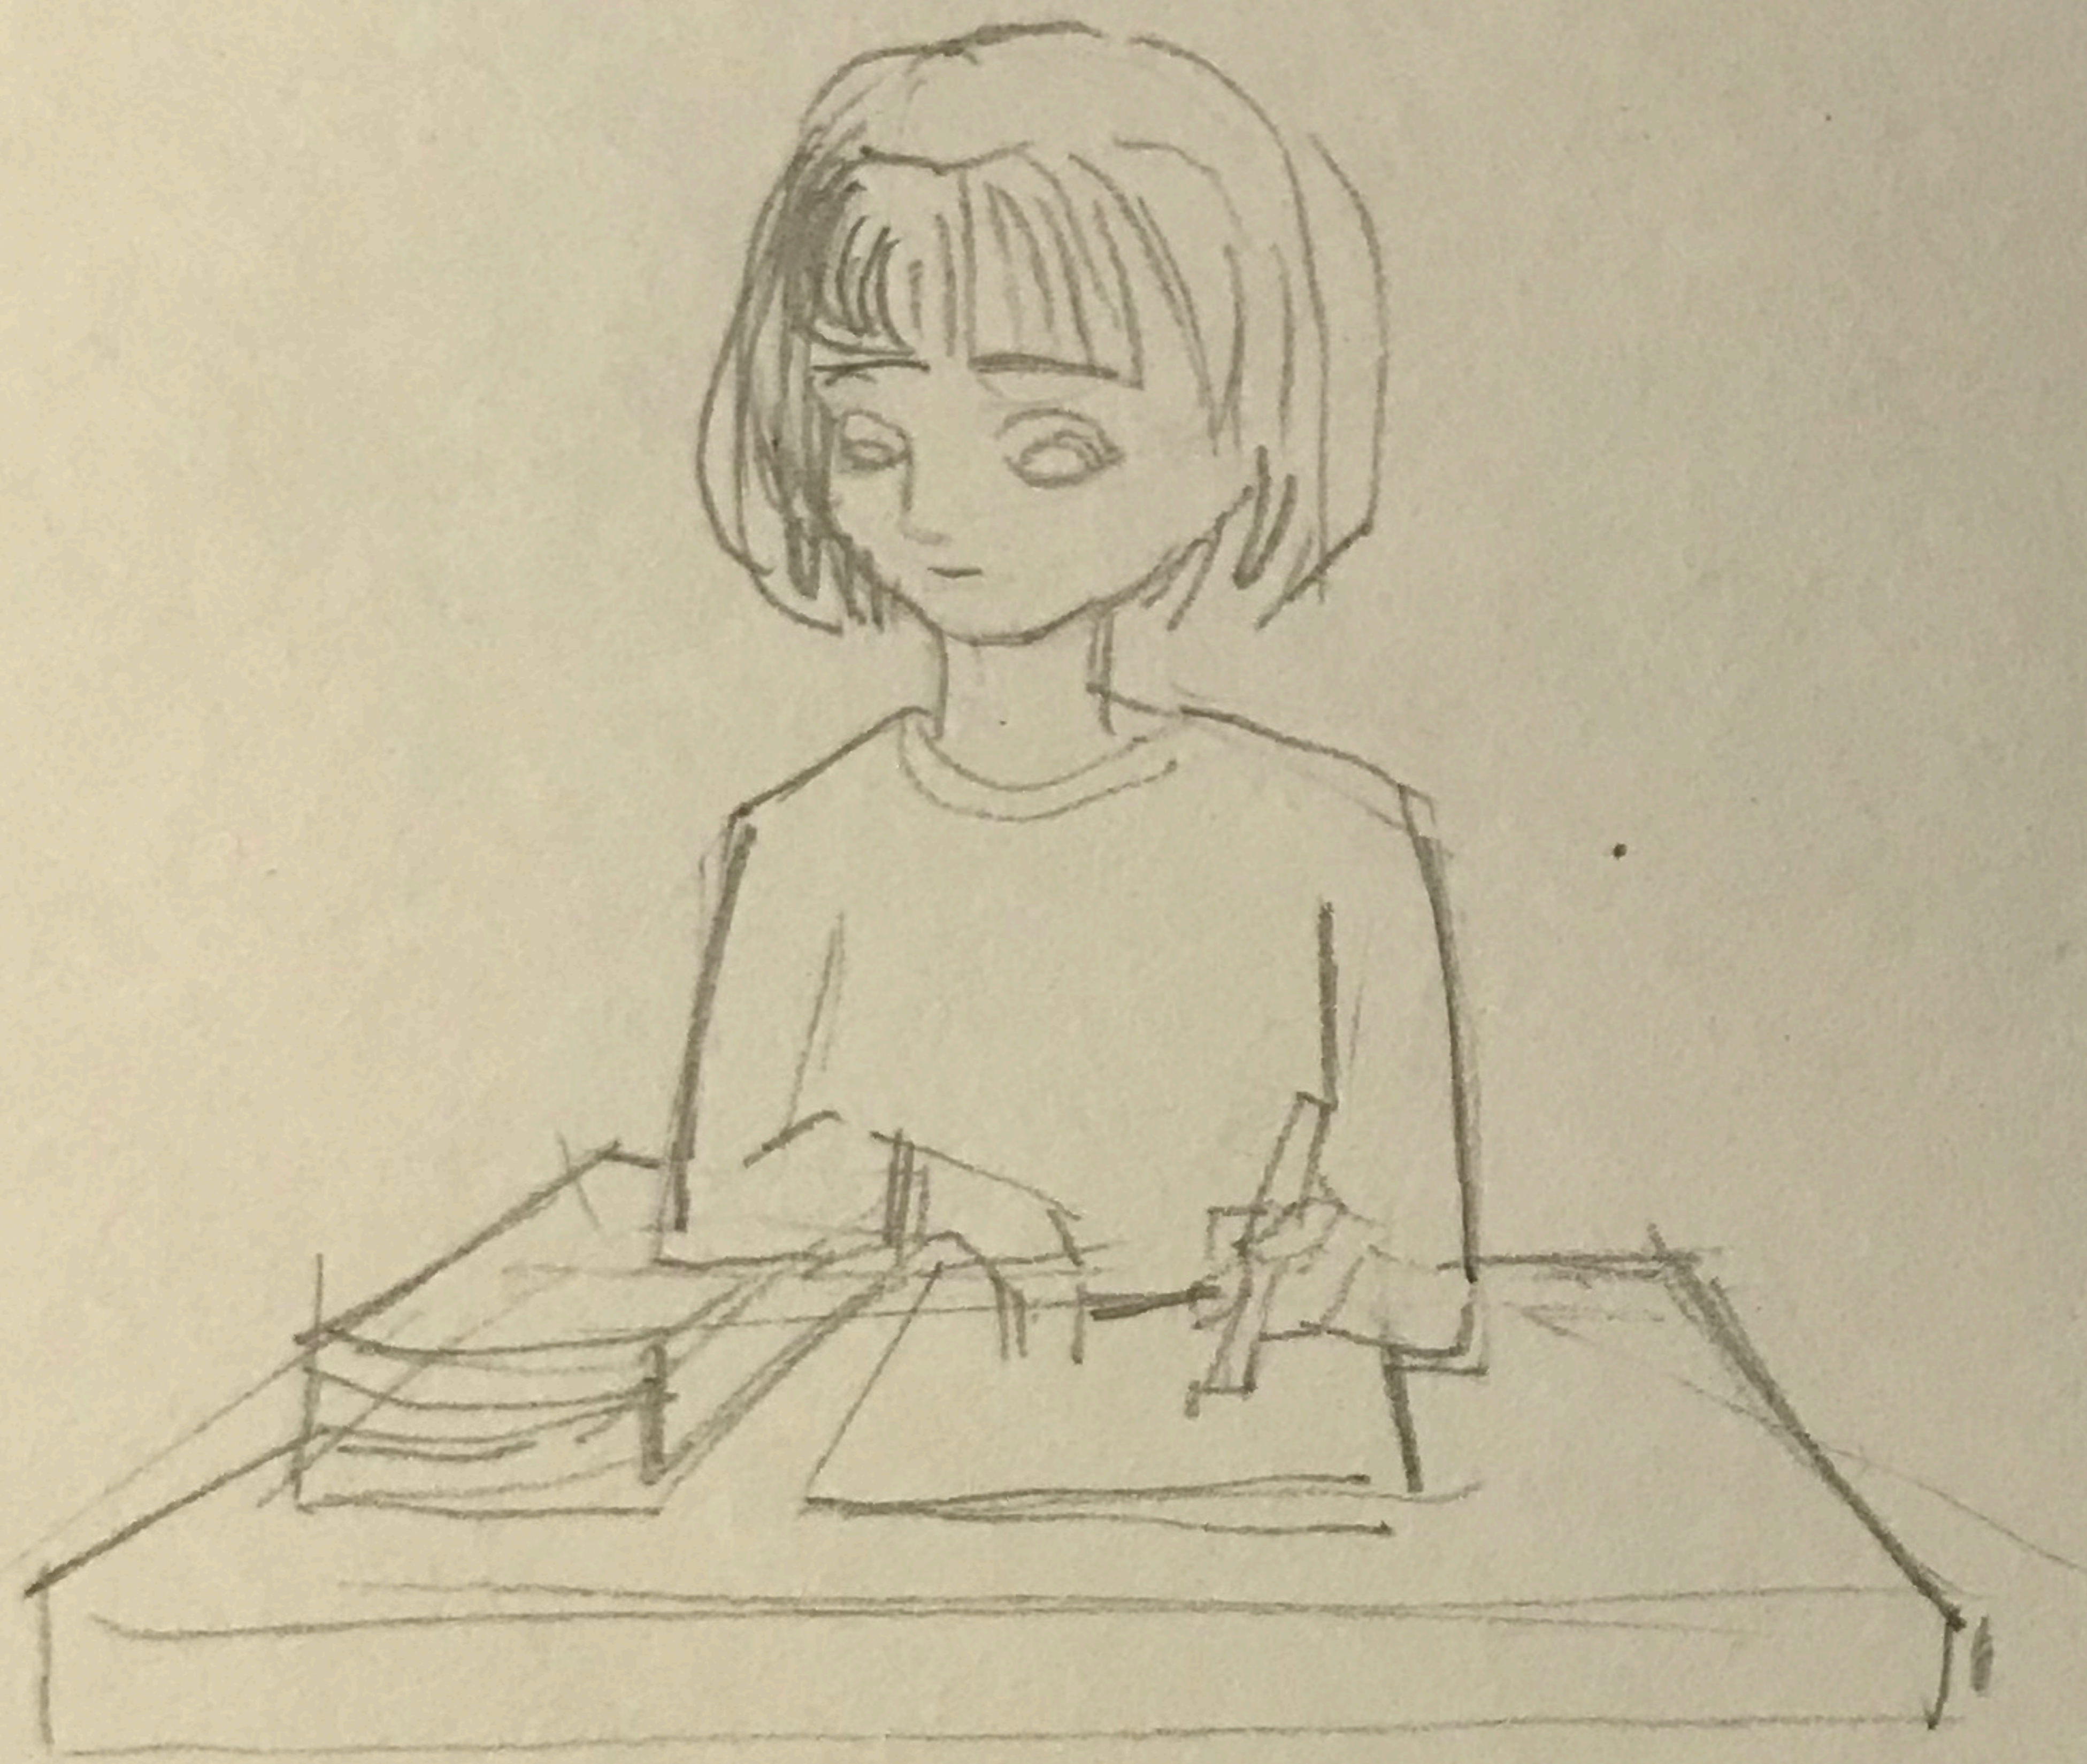

Chapter 8.

She really really ~~obsessive~~ in ketchup!
ketchup maniac.

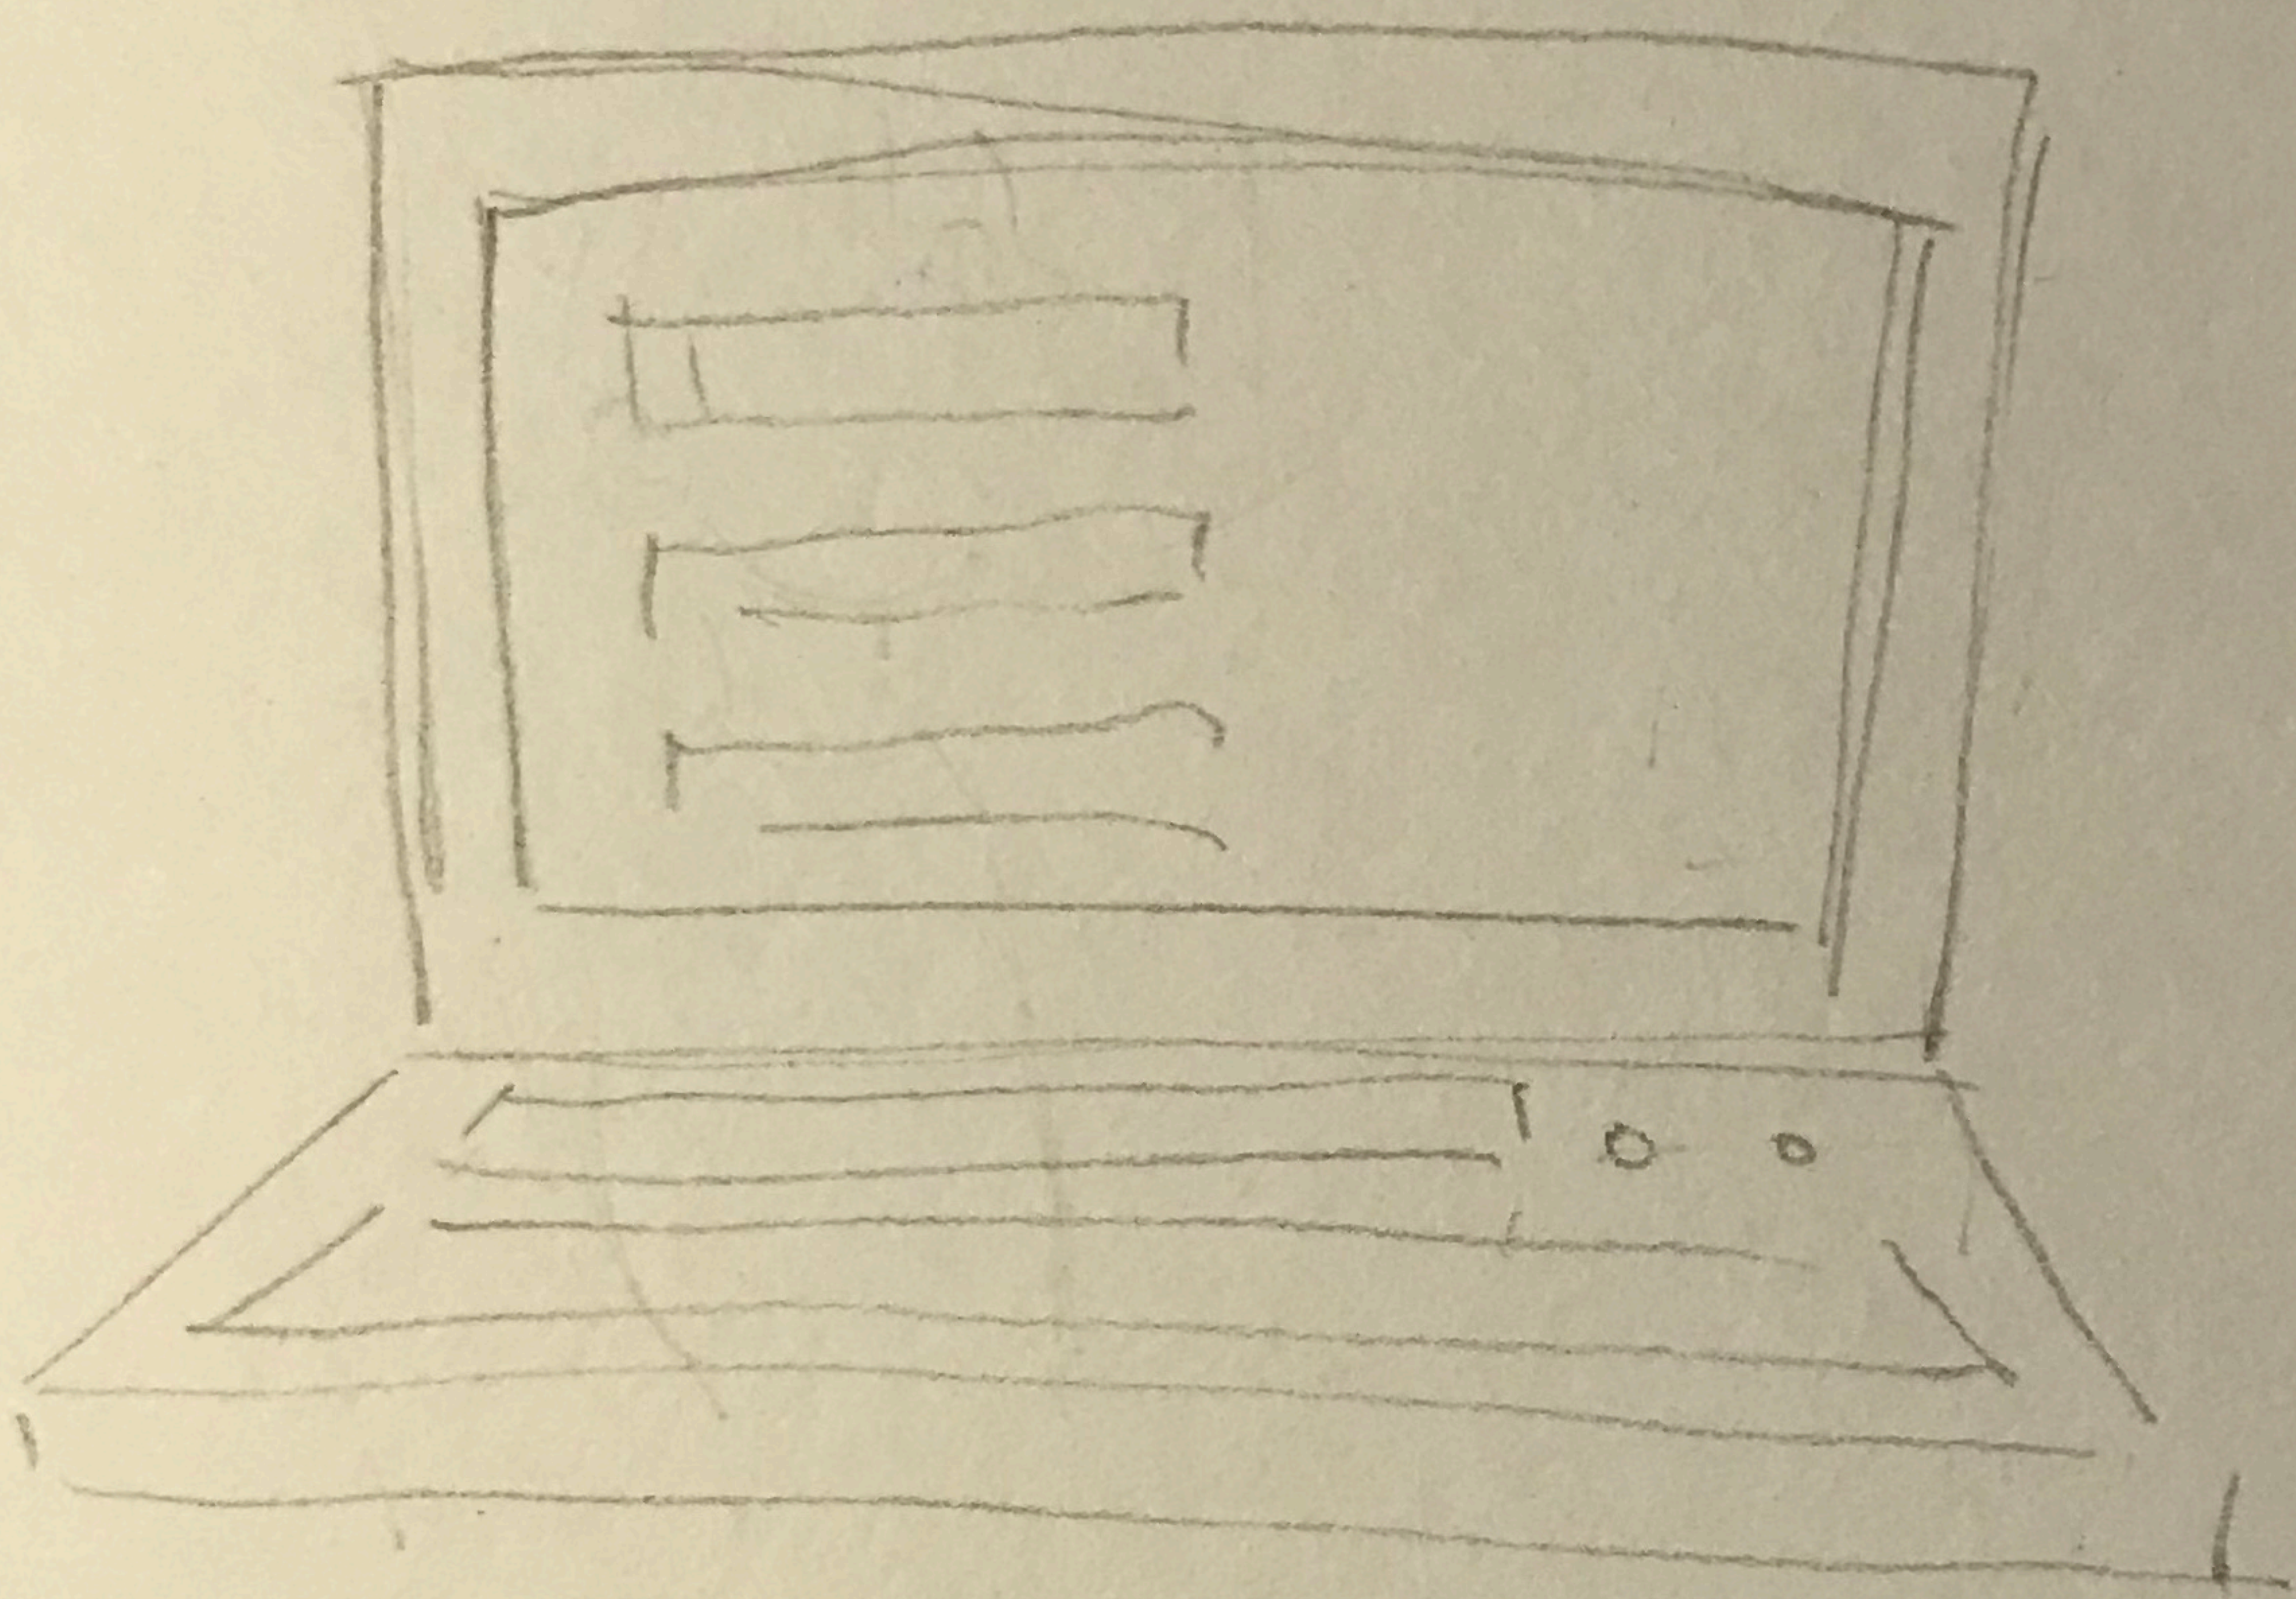

chapter 4

My mom said her ^{mother} family was hard
being a single parent. I didn't quite
understand it at the time.

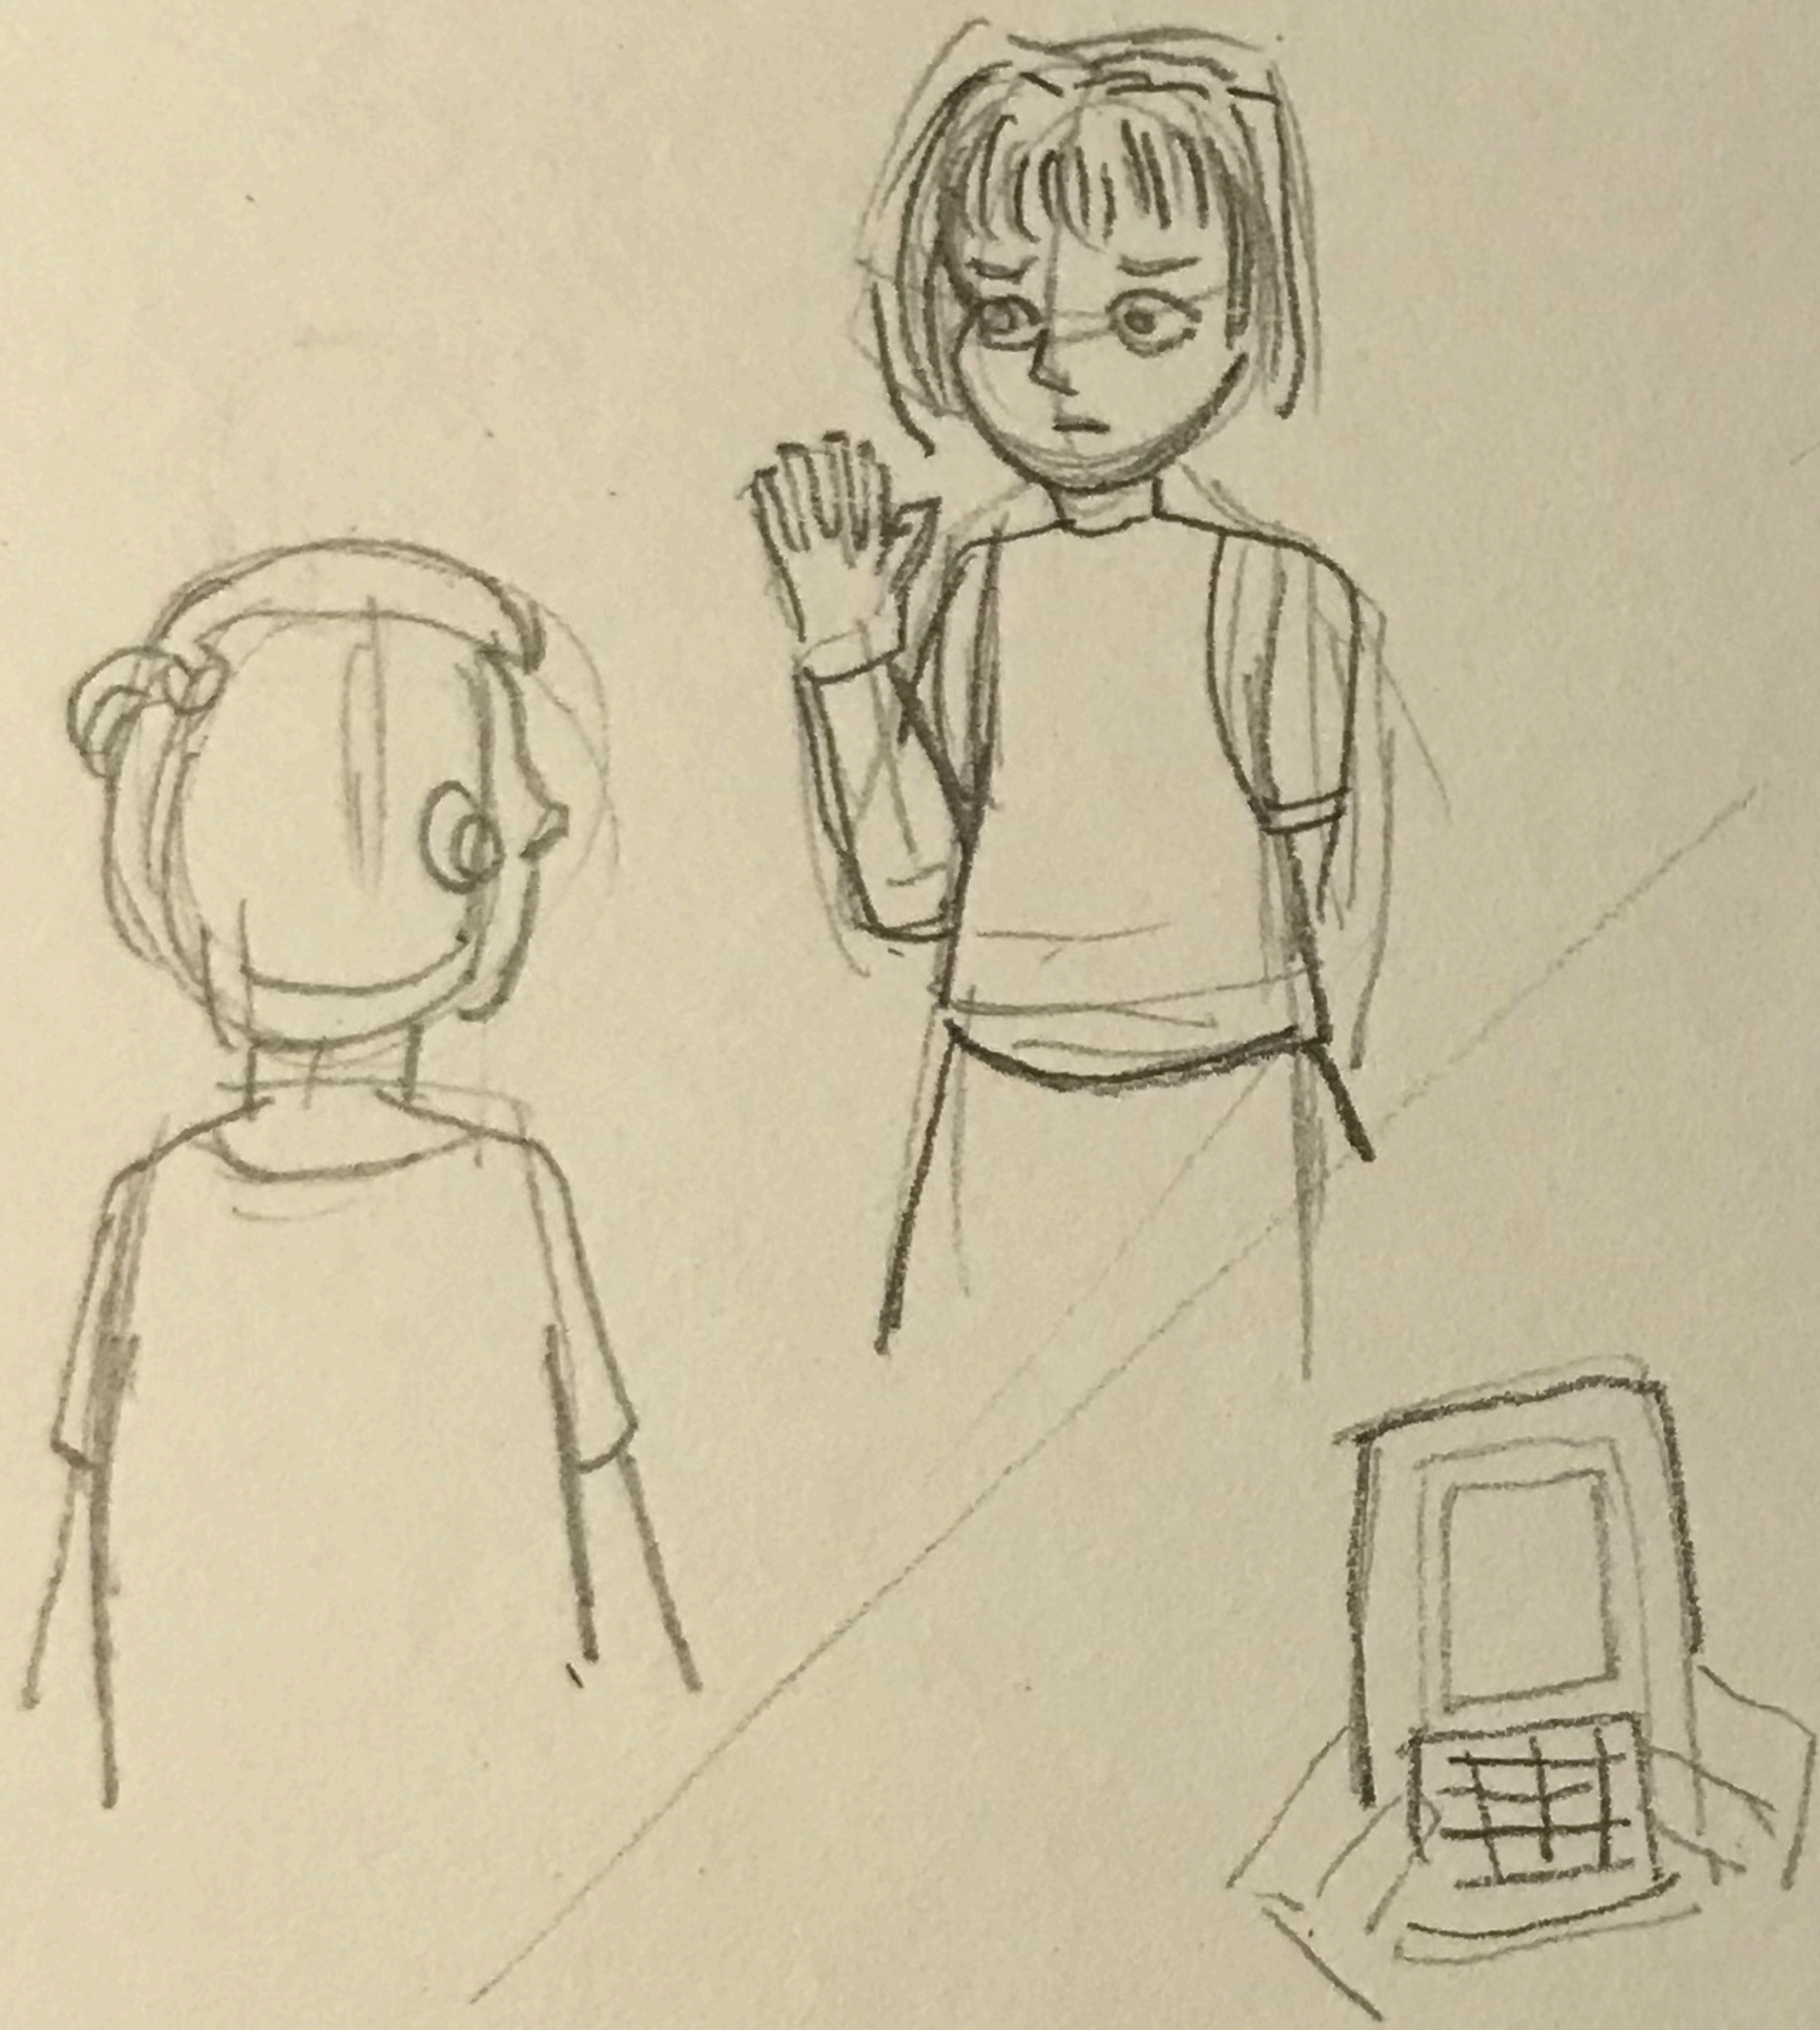

Chapter 5

I remember when she was a child she always studied very hard. I was always the one doing nothing. So she naturally gets better grades than me.

chapter 6

I naturally thought of her when I saw my homework. After all, he was always the one pushing me to do my homework.

Chapter 8.

I don't remember any particular scene.
except ~~and~~ one day she suddenly
changed schools.
